

# Catalogue

**There's no other product that emphasizes the beauty of surfaces in such a perfect way**

# Surface treatment product line, that provides shine, color, contrast and tonality.

In addition to being the world's greatest wood surface treatment, Odie's is perfect for use on leather, plastic, metal, stone and concrete surfaces.

Odie's products were developed by a master carpenter for the profession, with the aim of providing solutions to unique challenges. Excellent surface treatment product and stabilizer, furthermore the most cost-effective alternative on the market.

## Take your work to the next level!

Get to know the unique trend of surface treatment!

### Time-Proven Protection

- Especially for busy places, museums, restaurants, amusement parks
- Waterdrop-free result
- It repels liquids, fats and other impurities
- Excellent durability in one coat
- Resistant to extreme weather and UV exposure

### Safety and Sustainability

- Made with only real food safety and food grade ingredients
- Ultra low VOC content (according to the strictest VOC guidelines)
- Contains no toxins or carcinogens

### Stunning Beauty

- Incredible depth and brilliance
- Natural color, contrast and tonality
- From matte to brilliantly shiny
- Any color can be achieved with **Mr. Cornwall's Creative Colours** oil-mixable pigments
- For both indoor and outdoor use

### Convenient Usability

- Simply apply and wipe off
- Easy to maintain
- Real one-layer surface treatment; excellent durability in one layer
- It can be used on several types of surfaces
- Quick drying formula

**ODIE'S  
OIL**

# OILS

## Odie's Oil

### PROVIDES PROTECTION AND BEAUTY

For all surfaces  
Protection in one layer  
Brilliant color

SOLVENT FREE  
FOOD GRADE

- For indoor and outdoor use
- For all types of wood (domestic/exotic), furniture, floors, shutters, ships, kitchen tools
- Coverage: **266 ml:** 25-40 sqm; **946 ml:** 90-140 sqm (depending on wood type and density)
- Up to 20 times the coverage as conventional finishes

Easy to use  
**APPLY, THEN WIPE OFF!**  
Easy to maintain

**INSTRUCTIONS:** Mix or shake well! Take only a very small amount at a time and rub it into the surface! If the surface feels dry, use more until the pores are filled. Leave the surface like this for at least 40 minutes, but up to max. 20 hours, then wipe it with a cotton cloth for a brilliant effect! Most surfaces can be used within 24 hours and can be exposed to liquids within 3-5 days.

## Odie's Dark

### PROVIDES PROTECTION AND BEAUTY

Darkening effect for indoors  
Protection in one layer  
Shiny deep color

SOLVENT FREE  
FOOD GRADE

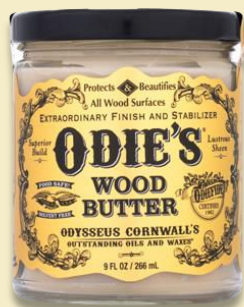

- For indoor use
- For all types of wood, (domestic/exotic) fine furniture, floors, kitchen tools
- Made of dark oils, gives antique effect and contrast
- Coverage: **266 ml:** 25-40 sqm (depending on wood type and density)
- Up to 20 times the coverage as conventional finishes

OIL**

# PIGMENTS

## Mr. Cornwall's Creative Colours

### FOR WOODWORKERS AND ARTISTS

Can be used with any Odie's Oil product  
For decorative and patinated shades

**Mr. Cornwall's Creative Colours** are 100% pure finely ground pigments created especially for the **Artisan, Craftsman and Master**. These pigments can be mixed with all of the Odie's finishes to create decorative finishes, man-made patinas, and color-matched protective finishes for furniture and floors. Blend the colors together to create custom colors!

### AVAILABLE COLOURS

Black, Titanium White, Red, Yellow, Ultramarine Blue, Green, Russet Red, Aged Bronze, Espresso, Citrus, Coffee, Brick, Port Wine, Buffalo Brown, Walnut, Chowda, Chestnut, Stone Gray, Terracotta, Georgia Peach, Southern Pecan, Burnt Ochre, Up in Smoke, Cane, All the Greige, Chocolate

**INSTRUCTIONS:** Add your chosen colorant to any Odie's Oil product in the amount required for the desired color depth, then mix or shake! The so obtained mixture can then be applied just like natural Odie's oils.
